Re: **Construction Activity Notice**
Bridge 2A.4 Replacement

Dear Property Owner:

Construction will soon begin on Road 2 with the replacement of Bridge 2A.4 over Blue Creek, 0.4 miles north of Road A. The tentative date for road closure is set for **Monday, May 9, 2022**. The project has a completion date of July 15th.

The construction will involve replacing the existing single span concrete slab superstructure with a new reinforced concrete slab superstructure on rehabbed abutments. This will be a construction zone that is closed to thru traffic; please drive cautiously.

Residents and emergency vehicles will be able to access properties throughout the construction process.

Miller Bros. Const, Inc., of Archbold, Ohio, is the general contractor for this project. For any questions or concerns that the contractor can address, contact project manager Isaac Burns at 419-906-9668. For any other questions or concerns, contact our office.

This notice has been sent to landowners only. Please inform any additional affected people, such as land renters or tenants, of the upcoming construction.

Sincerely,

Benjamin C. Rowland, P.E., S.I.
Bridge Engineer
